Baja Racing—Powered by Ramsey

Application:

- Baja Racer

Components Selected:

- Ramsey 3/8" pitch x 3/4" width RPV chain
- Ramsey RPV sprockets

Description:

Engineering students at a leading university were challenged to design and build Baja racers. The challenge was to design racers that would be lightweight and fast, but would endure the extreme conditions encountered during racing. Ramsey RPV chain and sprockets were selected to produce a compact, high output, drive system.

Contact Ramsey Products for assistance with your application. We will provide a no obligation review of your drive requirements.
